THE WORD "MOVIE."

To 1000 editors the question was recently submitted as to whether the word "movie" is to be regarded as a legitimate English word to be used without quotation marks. Five hundred voted for the word's admission without adornments; 220 declared that the word is still on probation; 280 failed to express an opinion, but are probably to be counted with the

# PUBLIC CAMP SITES IN MALHEUR FOREST

Both as a convenience to Forest users and in an effort to reduce the fire hazard, the U. S. Forest Rangers tractive public camping sites. These will be located so far as is possible in places most accessible to the best hunting and fishing grounds. The plan is to have a tent site leveled off, a rough fire place and table built, and a hole dug for the disposal of Sheriff Brown destroyed a lot of garbage and rubbish.
